APPLICATION

APPLICATION INSTRUCTIONS

1. Complete the online form and follow the directions as prompted.
2. You will need to submit a 500-750 word essay. The essay should address the following questions:
 - State your goal(s). How will this degree advance your goals? What are your plans after graduation?
 - What is your motivation for applying for this particular scholarship? Elaborate on your commitment to the Greek and Chian culture and connection to the Community, and your plans/vision on how the Chian community can remain vibrant and active in your life.
 - The scholarship application process is competitive. The essay is one of the most important parts of your application. It is your opportunity to “speak” to the Scholarship Selection Committee, and to make your application stand out above others. When writing your essay, consider how you might describe your plans while *maintaining an academic or scholarly perspective. Make sure to proof read and that it is grammatically correct.*
3. You will need two (or more) letters of recommendation submitted on your behalf. The recommendations must be sent directly by the recommender who must provide their contact information:
 - A letter of recommendation from a teacher, academic advisor, or other officer of an academic institution.
 - A letter of recommendation from a community leader who has known you for a minimum of two years, and/or a letter from an employer, and/or a letter from an officer of a non-profit organization indicating community service or volunteer services.
 - Make sure you have discussed your study plan and goals with the individual providing the letter of recommendation before submitting his/her name on your application.
4. Applications must be submitted on time and be complete. Incomplete applications will not be considered.
